Part 1. Students look at the situations and say which ones feel relatable to them and explain why.

Part 2. Students choose one option in each pair and explain their choice.

Part 3. Students complete the sentences in their own words.

Part 4. Students say whether they find the statements believable, surprising, or worrying and explain their reaction.

Part 5. Students watch the video and explain which ideas stood out to them the most.

Part 6. Students discuss the questions.

Part 7. Students discuss the possible advantages and risks of asking AI for personal advice.

Part 8. For each situation, students decide who they'd turn to first and explain why.

Part 9. Students discuss the question.

Reflection

Students complete the sentences in their own words.
