Part 1. Students discuss who they talk to the most and explain why.

Part 2. Students choose one option in each pair and explain why.

Part 3. Students complete the sentences in their own words.

Part 4. Students discuss whether they would feel comfortable or uncomfortable in each of the situations and explain why.

Part 5. Students discuss which statements feel true for them.

Part 6. Using the prompts, students give advice to a friend who has just moved to a new city and feels lonely.

Part 7. Students guess their partner's answers to the questions, then ask and check.

Part 8. Students choose which are the three most important moments for strong friendships and explain why.

Part 9. Students describe a friendship that is important to them using the prompts.

Reflection

Students complete the sentences in their own words.
