Warm-up discussion

Part 1. Students read the quote and discuss the questions.

Part 2. Students choose an answer and explain why.

Vocabulary

Part 1. Students match each collocation to its meaning.

Answer key:

1. Address climate change
2. Combat poverty
3. Tackle inequality
4. Find global solutions
5. Raise awareness
6. Sustainable development
7. Reduce emissions
8. Promote cooperation

Part 2. Students discuss the question.

Part 3. Students rewrite the sentences using the target collocations so that the meaning stays the same.

Suggested answers:

1. find global solutions
2. sustainable development
3. tackle inequality
4. address climate change
5. reduce emissions
6. raise awareness
7. combat poverty
8. promote cooperation

Speaking

Part 1. Students look at each of the global challenges and decide who should take the main action. Encourage students to explain their choices.

Part 2. Students create three sentences using at least three collocations to describe realistic solutions for an issue of their choice.

Part 3. Students invent a short news headline using one of today's collocations. Ask students to share their headline and explain why it is inspiring or important.

Reflection

Students discuss the questions.

Wrap-up task (optional homework)

Students write 6-8 sentences about a global challenge they care about — and one action they can take locally, using at least five collocations from today's lesson.
