Part 1. Students think about the last time they spent time outdoors and discuss the questions.

Part 2. Students choose one option in each pair and explain their choice.

Part 3. Students say which situations are true for them and explain why.

Part 4. Students say what they would do in each situation and explain why.

Part 5. Students look at the activities and say which ones they have tried or would like to try.

Part 6. Students complete the sentences in their own words.

Part 7. Students discuss how they would respond in each situation.

Part 8. Students imagine they've got one full day free this weekend. Using the questions, students plan something outdoors they'd enjoy.

Reflection

Students complete the sentences in their own words.
